

Candidate Notifications

These notifications focus on application progress, program milestones, and urgent safety alerts.

- **Registration & Security:** Account creation confirmation and OTP-based login or verification.
- **Application Pipeline:**
 - Status updates when a candidate is shortlisted
- **Program Milestones:**
 - Confirmation of NAPS registration and generation of the Apprentice ID.
- **Stipend & Support:**
 - Alerts for upcoming stipend due dates and payment status updates (Paid/Processing).
 - Updates on the status of a submitted grievance (Under Review/Resolved).

Employer Notifications

Employer notifications are primarily driven by regulatory compliance and candidate management.

- **Onboarding & Verification:** Approval or rejection of company registration and compliance documents
- **Talent Management:**
 - Alerts for new applications received for a job posting.
- **Compliance & NAPS Operations:**
 - **Deadlines:** Reminders for upcoming quarterly returns, contract filing deadlines (30-day limit), and document expirations.
 - **Financials:** Updates on government subsidy claim filings and disbursement status.
- **Grievance Management:** Notifications of new non-confidential grievances and "SLA Breach" alerts for cases not acknowledged within 3 days or resolved within 7 days.

Administrative & Strategic Notifications

- **Verification Queues:** Alerts for pending employer registrations, job postings requiring review, and candidate document verification.
- **Safety Escalations:** Immediate triggers for harassment or safety-related grievances that require emergency protocol.
- **Reporting:** Scheduled delivery of ESG, NAPS, and impact reports to government partners and CSR donors.
